

KINDY GYM NEWS

TERM 4 2015

VOL.1

WELCOME

Welcome to term 4. We have had a great start to the term so far and it is really great to see all the familiar faces as well as a whole bunch of new ones.

At the end of term 2 & 3 we had a large number of our Kindy Gym children turn 5 and join our after school Recreational classes. We are excited to see these littlies build on the foundation skills they mastered in Kindy Gym.

We still have spaces left across the week in our Kindy classes so if you have any friends or family that want to join this term it's not too late. Tell them to go to the website and register and they can book a class that suits. Please see below in 'Reminders' the information about our BRING A FRIEND week.

I will be sending out a Kindy newsletter once or twice a term. The idea is to keep you all up to date with what is happening in the Kindy program and in the rest of the gym.

Please make sure you have a current email address logged on your online account. We communicate mainly via email so this is really important so you don't miss out on vital information.

I hope you all have a great term. Please feel free to get in contact with me if you have any questions throughout the term. Kind regards Haylee.

NATIONALS 2015

During the first week of the last school holidays some of our competitive children attended NZ nationals. Overall the children had some amazing results and all the hard work and commitment they showed throughout the year certainly paid off.

The photo below is all our Nationals Gymnasts with their 'loot'.

Congratulations guys and girls.

WORLD CHAMPS

Last week North Harbours Misha Koudinov (24) competed at the 2015 World Gymnastics Championships in Glasgow. Misha had an amazing competition and finished 48th out of 182 competitors.

Misha's placing means he has now gained a spot for one male gymnast to attend the test event next year. The results from the test event determines who will attend next year's Olympic Games in Rio.

We are so proud of Misha and all his hard work over the years. Watch this space for more news on Misha.

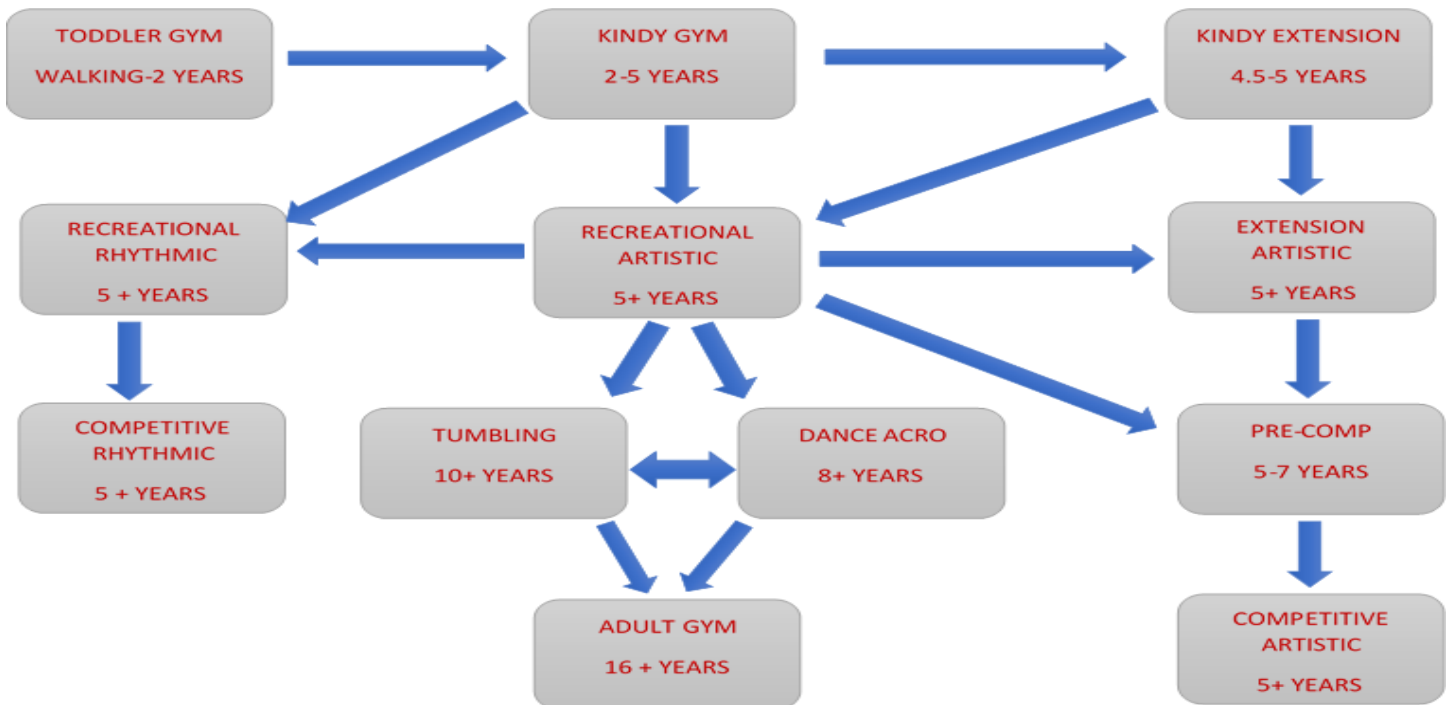

WHERE TO AFTER KINDY GYM?

North Harbour's Kindy Gym programme is just the beginning of a great gymnastics adventure for your children. The basic fundamental movements which we teach in Kindy Gym continue on into our after school classes for 5+ year olds. Whether your child chooses gym as their main sport or it is one of the many activities they do during the week gymnastics is always a fantastic base for all other areas in sport and in life. We often get feedback from schools expressing how advanced the children who have attended our Kindy and after school classes are.

Below is a guide of how our program's flow into each other. There is a class for everyone – Even Adults!!

KINDY CHRISTMAS CELEBRATION – Week 9

During the last week of term 4 we celebrate with a fabulous Christmas themed circuit. Santa and some of his reindeer come to visit and there is always lots and lots of tinsel.

It is a great way to finish the year off and the children really enjoy the class.

We invite all the children (and parents) to dress up in their best Christmas outfits – Some prefer Spiderman but we are ok with that too!

REMINDERS

BRING A FRIEND

In week 8 we would like to offer all the Kindy children a chance to bring a friend along to Kindy gym. Your friend will need to register online through our website and once they have done so they can contact us to book their spot. If your class is full then we can offer you both a space on a different day or your friend is welcome to join in another class if your day and time doesn't suit them.

We will send you more information closer to the time and the best part is it is FREE for your friend.

SURVEY MONKEY

Next week I will be emailing out a quick survey to you all. We are looking at making some changes in our Kindy program for 2016 and I would really love your feedback so I know I am on the right track.

TERM 1 2016

Dates for rebooking your 2016 class are fast approaching. Priority bookings run from the 23rd of November – 6th of December.

We will send out more information in the next few weeks
